

Scope of Application

It is used to test the dimensional changes of various fabrics under the action of steam without force.

Standards FZ/T20021 ISO3005 BS4323 etc.

Technical Parameter

- Steam generator: water capacity is 22L, evaporation is about 70g/min
- Dimensions of steam inner cylinder: $\Phi 104\text{mm}$, length 360mm
- Steam working pressure: 101325Pa (1 atmosphere)
- Marking interval of cloth stapler: 250mm
- Steaming time: 0.01s~99h99min can be set arbitrarily
- Power supply: AC220V \pm 10% 50Hz 3kW
- Appearance: (420 \times 500 \times 365)mm (365 \times 540 \times 790)mm, Weight: 75kg

Standard Accessories

- Main machine - 1Pc
- Steam generator - 1pc
- Stapler - 1pc
- Sample support net - 4pcs
- Sample holder - 1pc
- Sampling handle - 1pc
- Ruler - 1pc (300mm)
- Fuse - 2pcs (2A)
- Bottom foot - 4pcs

AdLab is a globally recognized brand specializing in the manufacturing and supply of high-quality laboratory equipment and textile testing instruments. With over 15 years of experience, we are committed to delivering precision-engineered solutions that meet the needs of industries such as textiles, pharmaceuticals, research laboratories, and educational institutions. Our products are designed to enhance efficiency, accuracy, and reliability in scientific and industrial applications.

Our Skill

At AdLab, we combine expertise in precision engineering with advanced laboratory technology to create innovative and reliable testing instruments. Our team of skilled professionals continuously works on improving product designs, integrating the latest advancements in technology, and ensuring compliance with international quality standards. With a strong focus on research and development, we provide customized solutions that cater to the unique needs of our customers worldwide.

Our Products

AdLab offers a wide range of high-quality laboratory and textile testing instruments, including Yarn & Fiber Testing Instruments, Laboratory Fume Hood Chambers, Ovens & Incubators, Water Baths, Textile Testing Instruments, Dyeing & Finishing Machines, Ceramic Testing, Tensile Testing, Washers & Dryers, Needle Detectors, and In-House Testing Equipment. Designed for precision and efficiency, our products ensure accurate testing and reliable performance across various industries.

Our Services

At AdLab, customer satisfaction is our top priority. We provide comprehensive support services to ensure the smooth operation of our equipment, including:

- ✓ 24/7 Technical Support Team – Our highly trained technical support team is available around the clock to assist with troubleshooting, maintenance, and operational guidance. Whether you need immediate assistance or expert advice, we are always ready to help.
- ✓ Installation & Training – We offer professional installation services and hands-on training to help users operate our equipment efficiently.
- ✓ Calibration & Maintenance – Regular calibration and maintenance services ensure that your laboratory instruments remain accurate and in optimal working condition.
- ✓ Customized Solutions – We provide tailored solutions to meet specific industry requirements, helping our clients achieve maximum efficiency in their operations.
